Contribute for the Noble Cause

Sharing a portion of our hard-earned wealth for the welfare of others is among the highest virtues. Offering food to the hungry, supporting the education of those eager to learn, bringing comfort to the distressed, and fostering harmony in society — **all these noble acts find their spiritual centre in our temples.**

For the past 18 years, the London Sri Ayyappan Temple in Harrow, lovingly hailed as the shrine of “**Harrow>Weald Mamani**”, has stood as a spiritual and social beacon, bringing together a wide Diaspora of Hindu community in the U.K. for celebrating the worship of Lord Ayyappa and many Hindu deities.

The temple is revered as a sacred space, providing the facilities for the devotees to offer their prayers as well the community to come together to network, utilizing the meeting and dining facilities for social and cultural events.

Project Sacred 18-Steps

To further enhance the Temple’s service to the community and improve the facilities for all devotees, a major development initiative, ‘**Project Sacred 18-Steps**’ has begun on the same premises. With divine blessings, the project seeks to complete the Temple’s renovation and rededicate it through a **Maha Kumbhabhishekam in the year 2027**. The 18-Steps are deeply

symbolic in Ayyappa worship. Just as devotees climb the holy steps at Sabarimala to complete their divine vows, our Temple offers a similar divine experience in London, uniting worship with spiritual fulfilment, with enriched facilities. To realise this goal, we seek generous support from all devotees and well-wishers.

The estimated cost of the project is £1.75 million.

Every pound donated will go exclusively towards the Sacred 18 Steps Project.

We appeal to all Ayyappa devotees, the wide Diaspora of Hindus, and all those who value community service to contribute wholeheartedly. In doing so, **you help preserve a sacred cultural centre for future generations in the UK.**

The renovated temple will become a vibrant hub for worship and community service, further contributing to local welfare programs in partnership with Harrow Council.
